

Development runners in CNW:

The Nedbank running club in Central North West is another one of the development clubs. Lots of youth provincial and national athletes up and coming are running for the club that we yearly support financially and with shoes from Reebok.

Examples:

Athletes who have performed on local and international level that we have supported for the past few years and still do:

Female Development athlete

- Alita Phiri

Cross Country

Finished 1st at the ASA Cross Country championships, girls' u/17.

4th position girls U/17 Southern Region cross country championships in Zambia, selected to represent South-Africa at the World Cross Country championships in 2008.
